A.H.S. Newscast

By Peggy Wooten

Hello there!

Well, here I am again. There is not much news at A. H. S. this week, but there is evidence of a lot of studying going on.

The Senior Science Club elected its officers for the year. They are as follows:

President, Betty Mitchell
Vice President, Nancy Oxford
Secretary and Treasurer, Sandra O'Brien
Rporter, Bobby Barger.

Even though our boys were beaten last Friday night by E. C. Glass they put up a good fight. Our football squad has a quality every team strives for. That quality is being able to work together.

The basketball games between the faculty and the varsity teams proved to be a big success. Our teachers, as well as the students, found it very entertaining. The faculty cheering squad, led by Miss Julia Asbery, proved to be a big help in making this game a success.

The first pages in the annual are to be sent in by November 15. If you have not bought your annual, then do so right away!

The Senior 4-H Club officers for this year are as follows:

President, Mary Anna McDearmon
Vice President, Terry Phelps
Secretary and Treasurer, June Connor
Reporter, Phyllis Moore
Songleaders, Sandra Moore and Ann Martin.

The committees and their chairmen were set up to carry out the activities of the club.

The Tri-Hi-Y is sponsoring a "Thought for the Week" program. Each week a thought will be put on the bulletin board in each homeroom. In their meeting a most interesting program was presented by the program chairman, Peggy Henry.

This is all for this week. I'll be back next week, I hope.

Peggy.

$30,000 Ready For Christmas Club Savers

Approximately $30,000 is being mailed out this week and next to Christmas Club saving account holders by the local banks. This will be an incentive to business here, and set up what all indications are as an excellent Christmas shopping season.

A check with local banks yesterday revealed that Christmas Club checks were mailed yesterday by the Farmers National Bank, and will be mailed November 23 by the Bank of Appomattox. Thus it will be a happy Thanksgiving for those who had the foresight to make regular deposits in their Christmas Clubs druing the year.

At the same time, both banks indicated that they invite local people to open Christmas Clubs for next year.

Thanksgiving comes a bit early this year, Nov. 24, and will leave a full month for holiday trade. Even so, there are less than thirty shopping days as of now before Christmas.

A.H.S. In Final Football Game Friday Night

The Appomattox Blue Hornets will end their football season here on Friday night when they play a league game with the Nelson County High School. The game will be played at the Town Park, 8:00 P. M.

The season so far has been unsuccessful, but if A.H.S. wins the game Friday night it will win the District Four Group Two championship. This would go far to making amends for the overall season record.

Last week, the Blue Hornets lost to Bassett High School, 38 to 0, at Bassett. The Bassett team turned out to be just about the best that A. H. S. had faced all season. They were fast and had two good passers.

The Blue Hornets so far have won 3, lost 5 and have one tie. The boys have tried very hard, but had to face a rough schedule, which included 3 games with Group One teams. It is believed that valuable experience has been gained and the squad will hold great promise for another season. There are only a few seniors on the team so future years should see better showings.

The following boys will be playing their last high school game Friday night: Alton Smith, "Boots" Carter, Ralph Reynolds, Jimmy Harper, Jack Burks, Lewis McDearmon and Maynard Beane.

Burke to Speak To P.-T. A.

Division Superintendent Jerry A. Burke will be the speaker at the regular meeting of the Appomattox High School Parent-Teacher meeting on Tuesday night, Nov. 22, at 7:30 o'clock, in the school cafeteria. This is the regular monthly meeting for November.

The theme for the programs for this year is, "Better School - Community Relations." Mr. Burke will speak on "The Superintendent and His Staff and Community Relations."

The public is cordially invited to attend.
